Breakdown of Costs

ooba Homeloans offers a free homeloans comparison service and will submit your loan application to all the banks including your own bank at once to secure the best possible outcome. 100% loans with ZERO deposit requirement are available to qualified buyers based on affordability and a good credit profile and debt repayment history. A monthly gross household income of R20 915 can qualify for a loan of R598 00. Monthly home loan repayments start from R6 274, plus estimated levies from R881 and estimated rates from R700 and will result in a total monthly spend of R7 855.

*Calculated over 20 years at 11.5%
